

Do you have 5 Chronic Pain Patients?

Then Codetron® can become a profit center for your practice

A typical chronic pain treatment with Codetron consists of 3 clinical visits a week for three weeks. Each visit consists of 30 minutes of treatment.

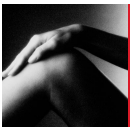

Every 30 minutes of treatment with Codetron can = \$76 of revenue.

9 visits X \$76/treatment X 5 patients = \$3,420 in revenue.

And since Codetron only costs \$3,295.00 ...
